RAISE FUNDS

for:

(organization name)

Our fundraiser is designed to collect and recycle used and empty inkjet cartridges from your home or office.

Instead of discarding these plastic cartridges in the trash, which eventually end up in our landfills, we encourage the use of recycling them for cash, payable to our organization.

PROTECT OUR ENVIRONMENT from harmful waste.

In North America Alone, over 350 million cartridges per year are discarded in our landfills.

Empty cartridges contain residual toner powder, ink, a plastic casing, aluminum and other parts, which will take more than 1000 years to decompose.

Remanufacturing cartridges reduces pollution.
